

Professional Legal Representation from a Licensed Paralegal

Lisa Broadley, a licensed Paralegal and graduate of the Sheridan College program with Honours, joined DK Legal Practice in September 2018. Her focus is mainly in Small Claims Court, Landlord and Tenant matters, and traffic tickets.

Lisa's listen and learn approach with clients also leads to the best, most effective solutions. Lisa maintains a high attention to detail while always remaining efficient and is known for her positive attitude and politeness in all her interactions with key stakeholders.

After many years within the field of IT in the manufacturing industry Lisa decided to pursue her passion for legal services. Inspired to become a Paralegal by the lack of access to justice, Lisa has fully immersed herself in her career as a Paralegal.

Lisa is a mother of three very active children and spends free time in hockey arenas, soccer field, track and field meets or running trails.
