

Debts on Loans or Liens

Being Failure of Payment of Monies Overdue

Legal Help With Overdue Loans, Outstanding Accounts, Unresolved Judgments, and Unpaid Liens

You are owed money for an unpaid loan or perhaps account balance due on an invoice for goods sold or services rendered. You have made demands for payment but there is little, if any, response. Perhaps you have even taken steps to engage rights such as a lien under the *Repair and Storage Liens Act*, [R.S.O. 1990, c. R.25](#), among other laws. Debt disputes can often be resolved with a strongly worded letter threatening pending litigation; however, if the debtor remains avoidant, court action may become necessary and be brought.

In some matters, paralegals as litigators will work alongside a collection agency licensed in accordance to the *Collection and Debt Settlement Act*, [R.S.O. 1990, c. C.14](#), among others skilled in the collection of debts including investigators, skip tracers, bailiffs, etc.
